Materials: **Border Color:** 1 skein Big Bad Wool Weepaca (Coral pictured)
Main Color 1: 4 skeins Big Wool Weepaca (Bleach White pictured)
Main Color 2: 4 skeins Big Wool Weepaca (Great Lakes pictured)

Needles: Size 8 circular needles, 32"

Gauge: 18 sts/4" in garter (or close to it)

Finished Measurements: 29" x 33"

Pattern Stitch: (Knit 7, purl 7) repeat to the last 7 sts., knit 7.

Begin: Cast on 133 stitches in **border color** and knit 4 rows. Cut yarn.

Change to **main color 1** and work in pattern stitch for 2 rows.

Change to **main color 2** and work in pattern stitch for 2 rows.

Continue working alternating 2 rows of **main color 1** with 2 rows of **main color 2**, ending at desired length or approximately 32" and after completing 2 rows of main color 1 in pattern. Cut both main colors.

End: With **border color**, knit 3 rows and bind off.

Tip: When changing colors along the side, always pull the new yarn to the front of the old yarn, so the edge has a neater look.

For a smaller blanket, 24" x 28", cast on 105 sts. This smaller blanket would use 7 skeins of Weepaca: 1 for the border and 3 each of the main colors
